CRG - Tableau Level of Detail expressions Program - 1 Day

Introduction To LOD
FIXED Expression
Understanding the concepts
Solving use cases
INCLUDE Expression
Understanding the concepts
Difference between Fixed and Include expressions
Solving use cases
EXCLUDE Expression
Understanding the concepts
Solving use cases
Reconciliation with LOD
Understanding Expression levels Vs View levels
Level types - Coarser, Finer and Disjoint levels
Filter Sequence
Sequence of execution when LOD expressions are used
Nested LOD Examples & Data Source Constraints
